

Erin received her B.S. in Accounting from Wright State University in 1998. She has been with Flagel, Huber, Flagel & Co. since 1999. Erin is an audit manager who spends her time focusing on attestation services for some of our largest clients. She has managed the delivery of numerous audit, review and compilation services to clients in various industries, including manufacturing, real estate, employee benefit plans and medical practices. Erin also provides extensive services to our non-profit clients. She is a member of the American Institute of Certified Public Accountants, the Ohio Society of CPA's., and the firm's Quality Standards Committee (IERC).
